HIH Invest Appoints Felix Meyen as Managing Director

- Felix Meyen to head Transactions unit as Managing Director
- Hans-Joachim Lehmann to resign from his office and to coach his successor through the end of this year
- Erik Marienfeldt, Chairman of the Supervisory Board: "Happy about the in-house solution"

Hamburg, 1 April 2022 – HIH Invest Real Estate (“HIH Invest”) has appointed Felix Meyen as its next Managing Director for Transactions as of 1 April 2022. Hans-Joachim Lehmann, his predecessor in this position, has resigned from the post on his own accord.

Felix Meyen has been with HIH Invest since 2005, starting out as asset manager before spending several years in the Transaction Management Germany unit and eventually taking charge of it in 2015. “We are very happy to have filled this important position with someone from our own ranks,” said Erik Marienfeldt, Managing Director of HIH Real Estate and Chairman of the Supervisory Board of HIH Invest. “At the same time, we would like to express our gratitude to Hans-Joachim Lehmann, who helped to shape the HIH Group over several decades, and who was fully involved even in the process of planning his own succession.”

Hans-Joachim Lehmann has worked for HIH Invest and its precursor companies for more than 30 years in various roles. During this time, he played a direct part in the process of building up the company along a fast-growth trajectory into one of the leading real estate AIFM companies, contributing many important impulses to this development. In 2015, he was appointed Managing Director of what is now HIH Invest. “His tireless dedication to the company in combination with his negotiating skills represent one of the cornerstones of the HIH Group’s success,” Marienfeldt went on to say.

Hans-Joachim Lehmann will supervise the transition within the senior management through the end of the year, and continue to make his experience and know-how available to the HIH Group in an advisory role even beyond that date.

“We are very happy to have filled this important position with someone from our own ranks. At the same time, we would like to express our gratitude to Hans-Joachim Lehmann, who helped to shape the HIH Group over several decades, and who was fully involved even in the process of planning his own succession. His tireless dedication to the company in combination with his negotiating skills represent one of the cornerstones of the HIH Group’s success.”

About HIH Invest Real Estate

HIH Invest Real Estate ("HIH Invest") is one of the leading investment managers for real estate in Germany and elsewhere in Europe. We find, develop and control real estate and investments under a forward-looking approach in the best interest of our clients. Decades of experience, close proximity to real estate markets and tight networking enable us to identify real estate opportunities and to act on them quickly during the right market cycle.

Around 260 institutional clients entrust their investments to HIH Invest. They benefit from the structuring, product development, property management and market development specialists we make available for the purpose of developing just the right investment solutions for them.

HIH Invest maintains a presence in ten different locations across Europe. As part of the HIH-Group, we cover the entire real estate investment value chain with in-house capacities. The early recognition of market changes, the implementation of regulatory requirements and forward-looking digital management are part of our corporate philosophy.

At the moment, we have 16.4 billion euros worth of assets under administration in 90 investment funds.
